

BLACK ANGUS RED ANGUS CHAROLAIS

12th ANNUAL
The Bull Sale

FRIDAY, MARCH 14, 2025
1 PM AT THE FARM, CROSSFIELD, AB

Welcome
FROM SCOTT STOCK FARM

Dear Friends,

Welcome to our 12th Annual Bull Sale! It has always been our goal to provide our customers with a well rounded, deep set of bulls that offer something for everyone. Our Charolais program must hit our targets for performance at weaning, yearling and mature cow size. On our Angus program, we strive to have equal parts calving ease and performance "cow bulls". Feet and structure are of critical importance across all breeds. It pleases us a great deal when stockmen & stockwomen tour our cow herd and are so impressed with the feet and udders. Back in July, we were pleased to announce the purchase of 100 purebred Charolais females from McLeod Livestock, Rod & April McLeod of Cochrane, AB. We are committed to growing our Charolais division while at the same time, continue to expand, and improve our Black and Red Angus divisions as well.

We will once again have on offer +100 bulls for you to sort through. Feature genetics include Red Angus - Bieber Jumpstart J137, Black Angus - Eastondale Fundamental 97'20, Charolais - Turnbulls Knockdown 43K plus many more.

We will once again be offering our popular *Loyalty Program!* Past bull buyers who refer a new customer to the sale (and both purchase bulls), will each receive \$500 off!

We are excited to host you on **FRIDAY, MARCH 14TH** for a full meal steak dinner, refreshments and pie for dessert! We hope you can be our guest and look forward to showing you the bulls! If you have any questions or if we can be of any assistance please let us know. In case you can't make it sale day, internet bidding will be available through DLMS.ca. Videos available on our website. Follow us on Facebook for updates!

Thank you your interest and we look forward to seeing you soon!

See you sale day,

Jonathan, Camille Shelby & Bow Scott

GENERAL INFORMATION

BOARD/DELIVERY

Free nation wide delivery & free board

INSURANCE

The bull(s) become the property of the buyer as soon as the bull is sold. Insurance will be available sale day and Scott Stock Farm Ltd. requests all bulls staying at the farm for a later delivery date be insured. SSF is not responsible for injury or death.

SEMEN

SSF retains half semen interest in all bulls.

TERMS

Terms of sale are cash or cheque. All bulls must be settled for at the conclusion of the auction.

DISCOUNTS

Bulls must be paid for in full on sale day to receive discounts.

BULL HEALTH/GUARANTEE GUIDELINES

All bulls will have passed a satisfactory semen test and visually appraised for soundness by a licensed veterinarian prior to sale day. Bulls, if failing to be breeders, will be replaced by a bull of equal value and quality or a sale credit will be given towards the purchase of another ssf bull.

No refunds will be given. Scott Stock Farm Ltd. will follow the terms and conditions as stated in the Canadian Angus / Canadian Charolais association breeders guarantee guidelines on all bulls sold.

All bulls are on a complete herd health program including ivermectin at weaning and again in January.

LIABILITY

Scott Stock Farm Ltd., its owners or employees accept no liability for accidents that may occur or assume any responsibility in this matter and disclaims any liability, legal or otherwise in the event of accidents or loss of property.

WARRANTY & GUARANTEE

In our opinion, every purebred breeder has an obligation to stand behind their bulls to be guaranteed breeders. we would not be in business if we didn't stand behind the bulls we sell. Not only do we follow the guidelines of the breeders guarantee as outlined by the Canadian Angus Association, we go above and beyond. If you are ever not satisfied with your purchase, please give us a call. every situation is different but our promise to you is we will work with you and we will stand behind our bulls. Accidents & injuries happen ... its just part of the business. we want to support our customers.

SIGHT UNSEEN PURCHASE PLAN

If you are unavailable on sale day, please call Jon (403) 333-1790 and we will take care of your needs. when we drop your purchase off, if you don't like him you don't own him.

HEIFER BULLS

We recommend our angus heifer bulls based on epds and actual birth weight. Noted under tag # by ★Heifer Bull

WELCOME FROM BOHRSON MARKETING

BOHRSON
MARKETING SERVICES

Scott Stock Farms is a multi-decade program that has emphasized the core values of profitable cattle to ensure their valued customers can invest in SSF with success. This is a family program with many generations involved and pushing it forward. Their large cowherd is built on power, functionality and the ability to bring in a high quality calf at their side every single fall. The 12th Annual SSF Bull Sale is an ideal spot to grow your bull battery and know that deep down the sons will be heavier in the fall and the daughters will make ideal replacements.

Three breeds are represented in this exciting sale of 100+ bulls on hand for your appraisal. The Red Angus bulls have always been in high demand and this years wont disappoint again with their blend of calving ease and ability to perform with a set of cows behind them that are high quality. The Black Angus group is the strongest they have ever offered and the quality is impressive throughout as this is a memorable pen from the spring tours for outstanding quality. The Charolais is a newer addition but just like the Angus approach, only the best will suffice and they have built a high quality program in short order and this set of bulls is a testament of that.

If you have never met the Scott's, we encourage you to do so as you'll quickly see that Jon is passionate about the cattle industry and is very disciplined and determined in his approach of the ideal type of cattle that he wants to produce; Camille is one of our favourite people in the industry with her contagious smile/laugh with a very approachable, good hearted and genuine character ... they have raised 2 hard working children that love all things cattle and are an important part of the program. It is an ideal spot to acquire your next herd bull as the cattle are strong and the people are better behind them. We look forward to visiting with you further at the sale and taking in some of the best hospitality of the spring!

Best regards,
The Bohrson Marketing Team

We were lucky to see Jumpstart in stud in fall of 2022. He has been called the single most sought-after bull in the 2022 bull sale season. Jumpstart was admired by many of the top red angus breeders in the business commanding a record setting \$185,000!!! He combines elite data with exceptional phenotype. Very few sires offer as much power and muscle shape as this guy, yet still rank among the best in the breed for calving ease. Jumpstart is an absolute physical specimen that is loaded with width and power as well as having great foot shape and heel depth.

This is our third group of bulls sired by Red Ter-Ron Geneva 54J. This sire is super deep, soft made performance bull with exceptional balance and eye appeal. His dam is a high volume daughter, sired by Red Ter-Ron Parker 34A. Geneva 54J was backed by a great cow, who had an excellent udder and foot. We are very pleased with the feet on his calves - Geneva's scored in top 6% for foot claw. 54J ranks 20% or better for 10 EPD traits include top 2% for weaning weight and carcass weight.

Calving ease Curve bender. To start out, Merlin's calves average birth weight is between 77-79 pounds and his EPD's back this up - Calving Ease in Top 2% of entire breed. Then watch out, they hit the ground running and continue to grow & exhibit exceptional performance with impressive depth of body and thickness. Merlin combines unmatched power, calving ease, growth and carcass in one page. This sire is a leader in the breed. Merlin ranks 20% or better for 10 EPD traits.

These Merlin calves are flat out good. 243M really catches your eye as a super attractive, clean fronted bull with length of body as he strides out. 74 pound birth weight. Out of a beautiful female 1st calve heifer. She has a perfect tight udder and is long bodied just like 243M.

The brand you can trust

SELECTING THE PERFECT HEIFER BULL AT SSF

SSF

Proper heifer bull selection is absolutely crucial. Calving problems of any kind are costly in man hours and financially to the livestock producer. The most accurate information available to select a herd bull are EPDs (Expected Progeny Differences). EPDs are science-based facts and figures calculated by a breed association based on actual weights submitted by breeders. The majority of SSF heifer bulls are from A.I. sires with high accuracy numbers for calving ease. SSF follows a stringent selection process when selecting sires for calving ease in our own herd. SSF follows this process so we can guarantee easy calving bulls based on factual information to our customers.

"Fundamental - being or forming a foundation. Essential. Forming a necessary base or core; of central importance.

Fundamental 97H is the best of both worlds - excellent power & performance and backed by a beautiful cow. We absolutely fell in love with his dam. She is feminine, perfect foot and udder quality. Fundamental is not new to our program. We only used him for clean up the first couple years but have been very impressed with his offspring that we decided to use him more last year. We have daughters calving out of him that are beautiful feminine females with great feet & udders."

Masculine Herd Bull prospect here. Big time performance with 800 pound weaning. Out of probably our favourite cow - 249C. Her last year bull calf is working for Dylan Kelly.

SSF 208M SSF SCOTT'S AMERICA 208M

registration#: 2376014 | birthdate: Jan 3, 2024 | tattoo: SSF 208M

208M is an outstanding example of the job the America sire has done for us. He has been a stand out since birth, catching the eye of many. A moderate 80 lbs birth weight, he's masculine, big bodied, big hip, big footed. Out a 2nd calver from our beautiful Minnie cow family.
